

TWENTIETH CENTURY SOUTHERN STEAM

An evaluation of steam locomotive Practice and
Performance on passenger trains in Southern
England at the end of the nineteenth century
and throughout the twentieth

Michael J. Rowe

This work is dedicated to the Railwaymen who designed, built,
maintained, drove and fired the steam locomotives, those who
recorded their performance and my wife Kim who endures and
supports my enthusiasms

The right of Michael Rowe to be identified as the Author
of this work has been asserted by him in accordance with
the Copyrights, Designs and Patents Act 1988
